Subject: O f f e r letter for the post of "Jr. ReactJS Developer"

Dear Harshil Prajapati,

Following your successful interview held on **August 24th, 2026,** we are pleased to offer you the position of **Jr. ReactJS Developer** at **Softsource Technolabs Private Limited**. We believe your skills and experience will be a valuable addition to our team, and we look forward to having you onboard.

Position Details:

Position Title: Jr. ReactJS Developer
Department: Software Development
Work Location: Ahmedabad, Gujarat
Reporting To: [TL & Director]

Job Role & Duties:

Your primary role will be focused on ReactJS and frontend development. However, based on project requirements, business needs, and the Company's operational requirements, you may also be required to work with or provide support in technologies including WordPress, WooCommerce, PHP, Laravel, Node.js, Python, databases, APIs, backend services, and other related technologies.

- ReactJS Development and maintenance of web applications
- Developing responsive, reusable, and user-friendly UI components
- JavaScript, HTML5, CSS3, and related frontend technologies
- Integration of REST APIs and third-party services
- State management, component development, and frontend optimization
- Website and application performance optimization
- Bug fixing, troubleshooting, testing, and ongoing maintenance
- Cross-browser and responsive design implementation
- Custom WordPress Development and customization, when required
- WooCommerce Development and customization, when required
- WordPress Theme and Plugin Development/Customization, when required
- PHP development and troubleshooting, when required
- Laravel development and backend support, when required
- Node.js development and backend/API development, when required
- Python development and application/backend support, when required
- Working with databases, APIs, integrations, and backend services as required by project needs
- Collaborating with designers, developers, project managers, and other team members to deliver projects within defined timelines.

- Understanding existing codebases and making enhancements, modifications, and improvements as required
- Maintaining code quality, following development standards, and documenting work where necessary
- The Company may provide opportunities, training, guidance, and exposure to new technologies, frameworks, programming languages, tools, and development practices based on project requirements and business needs.
- You may be expected to learn and work with such technologies as part of your professional development and assigned responsibilities.
- Supporting other development teams or projects when required
- Any other technical, development, maintenance, learning, or project-related responsibilities assigned by the management from time to time.

Joining & Shift Time:

- Proposed Start Date: September 10th 2026.
- Shift Time: Standard working hours are **10:00 AM to 7:00 PM IST**. However, these may be revised based on business requirements with prior communication.

Compensation and Benefits:

1. Monthly Gross Salary: INR 15,000 per month, subject to applicable statutory deductions and Company payroll policies.
2. Leave entitlement shall be governed by the Company's leave policy and applicable law. Eligibility and accrual of paid leave during and after probation shall be as specified in the applicable Company policy.

Employment Terms and Conditions:

1. The probation period shall be six (6) months from the date of joining. The Company may, based on performance, conduct, attendance, or business requirements, confirm the employee, extend the probation period, or take any other employment action in accordance with applicable law and Company policy.

2. This offer is conditional upon the successful completion of the background verification process. In case of any material discrepancy or misrepresentation identified during the verification, the Company reserves the right to withdraw this offer or terminate employment, as applicable.

3. Notice Period and Termination: After successful completion of the probation period, either party may terminate the employment by providing two (2) months' prior written notice or salary in lieu of notice, subject to applicable law and Company policy. In case of separation initiated by the employee during the applicable Employment Bond/Training Agreement period, the terms and obligations of the separately executed Employment Bond/Training Agreement shall apply.

4. You shall comply with all applicable Company policies, procedures, rules, codes of conduct, information security requirements, and practices as amended or introduced from time to time.

5. During your employment with Softsource Technolabs Private Limited, you shall not undertake any paid or unpaid employment, freelance work, consulting assignments, or operate any business directly or indirectly without prior written approval from the company. Violation of this clause may result in disciplinary action, including termination of employment.

6. Employment Bond / Training Agreement: You will be required to execute a separate Employment Bond/Training Agreement for a period of eighteen (18) months. The agreement shall specify the applicable terms, obligations, training provisions, and consequences of early separation, as applicable. The execution of such agreement shall form part of the Company's joining formalities.

7. Work Location & Remote Work: This is an on-site position. Work from Home (WFH) is generally not permitted and may be granted only with prior approval from management in exceptional circumstances, subject to Company policy and business requirements.

8. Confidentiality and Intellectual Property: During your employment, you may have access to confidential information, source code, client information, credentials, business information, technical documentation, and other proprietary information of the Company and its clients. You shall maintain strict confidentiality and shall not disclose or misuse such information during or after your employment. Intellectual property and work products created in the course of employment shall be governed by the Company's applicable agreements and policies.

You are required to bring the following documents to complete the joining formalities. (Applicable once you accept this offer and revert via email as your acceptance)
